3. We conducted our review of the statement in accordance with the standard on review engagement (SRE) 2410, "Review of Interim financial information performed by the Independent auditor of the entity" issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing specified under section 143(10) of the Act and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion. These standards require that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of the company personnel and analytical procedures applied

to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

4. Based on our review conducted and procedures performed as stated in paragraph 3 above, nothing has come to our attention that cause us to believe that the accompanying statement of unaudited financial results prepared in accordance with the recognition and measurement principles laid down in the applicable accounting standards i.e Ind AS prescribed under section 133 of the Companies Act, 2013 read with relevant rules issued there under and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of regulation 52 of the SEBI (listing obligations and disclosure requirement) Regulation, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.
